You are invited to submit plays that you would like to direct for the 2024 Footlight Players Season. The submission deadline is Tuesday, November 1, 2022. You are not required to submit three plays, but if you have several in mind, submit them. Please no more than three. It also helps if you list them by 1st choice, 2nd choice, & 3rd choice.

Please complete and return the form below, along with a copy of the script, to me any time before November 1. You can drop off to me, call, text, or email and we'll make arrangements to meet. If you need a script, contact Shane Pyle at 740-294-1420 and he will help you acquire what you need.

Thanks!

Shelly
